

**Leon Botha** – standing for general committee member

I'm the Co-owner of New Zealand Disc Sports Supplies Ltd. Having been involved in disc golf for about 6 years, I'm constantly looking at ways to improve the sport for disc golfers. The sport as a whole is growing and needs people committed to see it grow in the right way.

I've been on the board of Christchurch Disc Club since its inception and will continue to serve my fellow disc golfers for as long as you all will have me. Most of you already know who I am and I will continue to bring my unique approach to growing this sport.

Of course I can do nothing without the support of the community, so I'm putting my hand up for another year on the board.
