

## **Paul Deacon** - standing for the position of Chairman

Dear Members -

I seek your votes for re-election to the position of Chairman of the Christchurch Disc Golf Club Incorporated, a position I have held officially since last year, and unofficially for longer.

I expect 2020/21 to be a year in which the Club:

- Keeps growing our Membership from c. 50 to perhaps a multiple of that.
- Deepens our relationship with the Christchurch City Council and Community Boards.
- Starts raising funds to support a fully basketted course in Ascot Park/QE2 and the 9 other courses we have applied for in the city. We are able to do this now that we have our first official set of annual accounts.
- Supports the rapid growth of the game in Christchurch and elsewhere in Canterbury.
- Applies for the status of registered charity (as agreed by Members last year).

I have been helping to lead and organise the Club since October 2016.

I bring life experience, especially 20 years as an international manager with the bank HSBC, and time spent on the committees of other sports and hobby clubs.

I am fully retired. My other volunteer job is as Chairman of New Zealand Disc Golf, which is demanding, but brings good synergies for Christchurch.

Paul Deacon
