

Chris Hoopman – standing for general committee member

In November 2018 I moved from Queenstown and was looking for something to do, I joined the Christchurch disc golf community. Despite having only played a few rounds prior and not knowing anyone, I quickly felt welcomed and have appreciated the social aspect the game provides. I soon found myself playing almost every week and played my first tournament (Peter Crowther) in 2019.

I quickly recognised the potential of the sport and have contributed towards this by co-directing the 2019 Trilogy Challenge and starting Flex Line Media, a media agency dedicated to showcasing New Zealand disc golf.

I'm grateful to have the opportunity join the committee and am excited to help disc golf continue to grow in the Christchurch area.
