

Louis Strydom – standing for General Committee Member

My name is Louis Strydom and I'm standing as a candidate to be a committee member of Christchurch disc golf club.

I moved to New Zealand about 6 years ago, when I was 31, with my wife and 4 kids. Since we have been here we have enjoyed all the beauty and splendor that New Zealand has to offer. When we were exposed to disc golf at the end of 2018, we knew we found something special. This was the first sport we as a family could easily play together.

It is because of this that I want to help grow the sport in Christchurch and help other families and friends find something special.

I have served on the committee for the last year where I was helping to organize social events for the club and the public. I would like to serve again this year so I can help grow this beautiful sport.

So, with this in mind I would appreciate your vote at the AGM.
